REF : Sanction received from GOC-in-C, Pune through PD, DE, SC, Pune vide letter No.10832/Ahmednagar/DE, dated 01-06-2017.

To consider following issue with regard to construction of shops / offices on first floor of Sy.No.76, shopping plaza.

A) BOOKING OF SHOPS / OFFICES –

To consider and note the sanction letter received vide letter under reference mentioning that the bid of 03 shops in which offer below Rs.15/- Sq. ft. were received are cancelled and fresh auction be held for these shops. These 03 shops bearing number are 212, 214 and 215, the Board vide CBR No.04, dated 17/10/2016 has approved the bid amount of these shops i.e. Rs.15/- Sq. ft. per month per shop which is minimum rate fixed by the Board mentioned in the terms and condition. Hence the rates of Rs. 15/- per shop quoted are considered by the Board. All the 18 nos shops / offices have been booked and the office has also issued acceptance letter to the successful bidders.

B)TENDER FOR CONSTRUCTION OF SHOPS / OFFICES –

The Board vide CBR No.05/09-CAC, dated 13/10/2017 has approved the lowest online rate of Contractor M/s R.N. Repale, Ahmednagar i.e. 26.26% above MES SSR 2010. Accordingly this office forwarded proposal vide letter No.ANR/RB/T-1/Shopping Plaza/76/2016-17, dated 28/02/2017 and the sanction for the same has been received on 01/06/2017. The validity of tender was till March 2017. Therefore this office asked willingness from the contractor for carrying the construction on same quoted rate as per terms and condition of the said tender. The contractor vide letter dated 27/04/2017 agreed to carry out the work on same rate and taxes as applicable till completion of the project. Further the contractor vide his letter dated 22/09/2017, mentioned that the new tax of GST has been imposed by the Govt. w.e.f. 01/07/2017 which is not in the tender published at that time and requested for not to charge the said additional tax. He agreed to deduct the pre GST rates.

In this connection tax consultant and GE, MES was requested to render opinion. GE, MES, vide letter dated 15/12/2017 has informed that if the lowest bidder is willing to extend the validity of his offer the tender can be accepted. Further regarding policy on GST, GE, MES advised to take decision at Cantonment Board end. GE, MES has also forwarded copies of letters received by him from higher authorities regarding GST. From the letter dated 05/08/2017 issued by Engineer – in – Chief’s branch, Kashmir House, New Delhi, it is mentioned that the special conditions in annex XVI of MES manual on contract 2007 (Reprint 2012) which forms part of contracts stipulates that any variation on the taxes directly related to contract value shall be adjusted. Thus this guideline is very clear and for contract pre GST, the adjustment in contract amount / payable amount shall be based on the actual difference in tax liability between pre – GST & post – GST based on actual proof of payments. This factor will vary from case to case basis. Similarly the tax consultant has also advised and advise received from the consultant is reproduced as under :-

“Though the GST is subsumed of various indirect taxes such as Excise duty, MVAT, etc. other taxes which affects the value of contract. Again we are agreed ITC are increases proportionately as increased GST liability, but the increment of GST rate i.e. 12% badly affect the total contract value.

As the various items such as sand, Murum, Dabar, Bricks etc. area directly hike by 7% i.e. earlier it was purchased by 5% now in GST forum it will be directly changed by 12% (No excise shelter on those items) as the total value of the contract price was affected badly. Again the retendering and other processes are time consuming.

Hence forth, it is hereby recommending to increase the value of tender by differential tax liability i.e. 7% (12% as per GST Act less (-) 5% as per MVAT)”

Further it is brought to the notice that in the tender application form it is mentioned that the offer should be inclusive of all taxes, levies, duties and other charges including travelling and any other expenses of the contractor / agency. The Cantonment Board will not bear any expenses other than rate quoted. In terms & condition of the tender form it is also stated that the rates shall be deemed to be inclusive of Maharashtra sale tax, turn over tax, income tax, octroi and any other taxes payable to the Govt. whether Central or State or Local Body. The contractor will be fully responsible to pay the same.

In view of the above the Board may consider the following :-

- a. The Board to note that the booking of Shops No.212 , 214 and 215 is not below the offer i.e. Rs.15/- Sq. ft. for information to higher authority.
- b. The Board may extend the validity of tender as the contractor is agreed to execute the work.
- c. The Board may adjust the contract value by differential tax liability between pre GST & Post GST as per opinion of tax consultant and guidelines received from MES, Ahmednagar.

In this connection for post tax rates the guidelines received from GE. (N) MES, Ahmednagar vide letter No.8005/Gen/173/E-8 dated 15/12/2017 and opinion received from Shri. S. P. Lohkare (Tax Consultants and Auditor) Ahmednagar vide letter dated 10/12/2017 & GE, MES letter dated 15/12/2017 are placed on the table.
